Athens, the 30th of September 2021

Ref. No 1807/35193-21

INVITATION FOR EXPRESSION OF INTEREST

Invitation for expression of interest for a fixed term research contract in Informatics for the project "FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)" (position code 2976-PR13)

The Research Center of the Athens University of Economics and Business (RC/AUEB) in the frame of the European Union funded research project "**FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)**", project code **11297601**, and under the supervision of the Scientist Responsible for the project, Professor Diomidis Spinellis, invites, in accordance with the decision of the 98th Meeting of the Research and Management Committee of RC/AUEB of the academic year 2021-2022, dated 22/09/2021 (ADA: Ω203469B4M-9T2), applications for an Informatics Researcher position on a fixed term, up to two (2) months, (with the possibility of renewing until the end of the project) work contract, for the implementation of the following project:

"Design a methodology to select specific software projects to analyze and generate call graphs and techniques that combine static and dynamic call graphs and store the corresponding results in a well-defined manner in the context of the following work packages: WP1 (Call graphs for Java/Python/C), WP2 (Developing the FASTEN Knowledge Base), WP3 (Security, Quality and Risk), WP4 (Licensing and Compliance Endocode), WP5 (Change Impact Analysis), WP6 (Case Studies), και WP7 (Dissemination and Exploitation)"

Estimated duration: up to two (2) months, may be extended until the end of the project.

Budget: up to four thousand four hundred and fifty (4.450€) EUR, including all taxes and deductions. If necessary and/or applicable, employer's social security contribution payable by RC/AUEB, will be added accordingly, charging the aforementioned project.

Required Candidate Qualifications:

- Undergraduate University or Technological Educational Institute (TEI) degree from a domestic or an equivalent foreign institution. **Exceptional cases of undergraduate domestic university or TEI students may be accepted (studentship should be certified via transcript of studies submitted by the candidate)** in the fields of Informatics or Computer Science or Computing Engineering or Electrical Engineering or Management Science and Technology or Mathematics or Applied Mathematics or Statistics.

- Good knowledge of Computer Programming. **It will be assessed via transcript of records and course specifications as described by the degree programme guide where required.**
- Good knowledge of the English language (It's a prerequisite but will not be further assessed).
- Ability to occasionally travel for work in Europe. **In order for the application to be valid the corresponding field in APPENDIX A' needs to be checked.**

Desired Candidate Qualifications:

- Knowledge of additional foreign languages.
- Published software or open source software contributions.
- Competence in using tools for data representation and analysis.
- Competence in using software development and deployment tools.
- Personal web site.
- Research experience in EU or national projects.
- Publications in top rated international journals and conferences.
- Reference letters from employers or/and Professors in topics related to Computer Programming.

ATTENTION: Wherever knowledge of tools is required to be certified via website links, these need to be cited in the CV submitted with the application, in a dedicated field titled LINKS TO WEBSITES.

RANKING MATCH IN QUALIFICATION CRITERIA

The calculation of grading units shall rely upon the fulfilment of all the Required Candidate Qualifications and shall be objectively connected with the project requirements.

ATTENTION: Applications with a total score of lower than fifty (50) grades will be rejected from selection.

	Assessment Criteria	Comments	Maximum grade of criterion	Criterion importance
1.	Knowledge of additional foreign languages	B2=40, C1 = 80, C2=100	100	5%
2.	Published software or open source software contributions	IN CV: LINKS TO WEBSITES	100	15%
3.	Competence in using tools for data representation and analysis	For each language or technology: <ul style="list-style-type: none"> • Ten (10) grades for basic level knowledge • Twenty (20) grades for expert level knowledge 	180	12.5%

4.	Competence in using software development and deployment tools	For each language or technology: <ul style="list-style-type: none"> • Ten (10) grades for basic level knowledge • Twenty (20) grades for expert level knowledge 	180	12.5%
5.	Personal web site	IN CV: LINKS TO WEBSITES	100	4%
6.	Proven research experience in EU or national projects	Ten (10) grades for every two (2) months of related work experience <i>Grading received for at most 20 months</i>	100	4%
7.	Publications in top rated international journals and conferences	Forty (40) grades for each publication Grading received for at most three (3) publications	120	10%
8.	Reference letters from employers or/and Professors in topics related to Computer Programming	Fifty (50) grades for each reference letter A maximum of two (2) reference letters will be taken into account for assessment	100	15%

OTHER TERMS AND CONDITIONS

- 1) Any objections to the results of the candidates' evaluation should be submitted strictly within a period of five (5) working days from the day following the announcement of the results on the website of RC/AUEB (<http://rc.aueb.gr/el/static/home>). Objections should be specific and should be submitted in person or sent by post to the address: 46, Kefallinias Street, Athens, 11251, Greece. In order to ensure that the applicant exercises his/her rights in accordance with the legal procedure (written application, documentation of legal interest, etc.), the right of access to other candidates' personal files and data shall be exercised in favor of the applicant in accordance with the combined provisions of Law 2472/1997 and Law 2690/1999, and provided it complies with the conditions set out in C/EX/4163-1/7.6.2012 document of the Hellenic Data Protection Authority (HDP A).
- 2) Any submitted candidacy that does not meet the required qualification of the call will not be examined any further and will consequently be rejected. The recognition of academic and professional qualifications and skills, including non-standardized qualifications with an emphasis on geographical and professional mobility of the candidates, particularly concerning academic and professional international mobility, will be in accordance to the implementation of international standards and the relevant European and international legal framework¹.
- 3) **Greek candidates' higher education degrees (undergraduate and postgraduate) that are a required qualification and have been issued by foreign institutions must be**

¹ published in NARIC (national centers for the recognition of academic titles) and ENIC (European network information centers).

accompanied by certificates of recognition by the Hellenic National Academic Recognition and Information Center (Hellenic NARIC).

- 4) **Language knowledge for Greek citizens** shall be certified according to Article 1 of Presidential Decree 146/2007 "Modification of provisions of Presidential Decree 50/2001 Defining qualifications for the appointments of posts in the public sector" (Official Gazette 185/3.8.2007/Issue A'), in conjunction with the last passage of paragraph 1 of Article 1 of the Presidential Decree 116/2006 "Amendment of Article 28 of Presidential Decree 50/2001" (Official Gazette 115/9.6.2006/Issue A'). **Regarding the certification of knowledge of any foreign language, a photocopy of the original certificate together with a photocopy of its official translation in Greek should be submitted.**
- 5) Male candidates, on condition that military service is obligatory in their country of residence, should have fulfilled their military obligations or have been legally exempted from them throughout the duration of the project contract.
- 6) If the selected candidates are Greek public servants, they shall bear the responsibility to comply with the requirements of Article 31 of Act 3528/2007.
- 7) Please note that the invitation for work contracts concerning the project is not a competitive tendering procedure, while the potential selection of counterparties shall be interpreted as an acceptance of a proposal and not as "hiring". The said process will be completed with the announcement of a ranking list, while those candidates selected will be notified individually. In case of a tie, the candidate whose application has the highest relevance of subject and longest professional experience will be selected.
- 8) Throughout the duration of the project and the contract it is possible that selected candidate(s) may be replaced by other candidate(s) of the present call and in accordance with the ranking list.
- 9) This invitation for expression of interest is not binding for RC/AUEB to establish cooperation with stakeholders and does not create rights expectation. RC/AUEB reserves the right to select the candidate, as well as full discretion in the conclusion or not of the relevant contracts, excluding any claim by the candidates.
- 10) The terms and working conditions will comply with all national and international relevant regulations. RC/AUEB will fully implement the existing international and European labor law, incorporated into Greek law, in all settings, and in particular regarding the rights and benefits the selected candidate is entitled to.
- 11) RC/AUEB may, upon decision, extend the contract, provided that such an extension is in accordance with relevant Greek and international legislation.
- 12) This invitation for expression of interest is published on the websites of RC/AUEB, AUEB and EURAXESS as part of the project "FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)", taking into account and being in accordance with the terms of the Grant Agreement No. 825328 and the Commission Recommendation of 11/3/2005 concerning the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (OJ L75/67 2005/251/ EK), the European Code of Conduct for Research Integrity of ALLEA (ALL European Academies) and ESF (European Science Foundation) of March 2011 http://www.esf.org/fileadmin/Public_documents/Publications/Code_Conduct_Research_Integrity.pdf, and Commission Recommendation C (2008) 1329 of 10/4/2008 on the management of intellectual property, which are annexed hereby and subject to acceptance by the candidates.

REQUIRED APPLICATION DOCUMENTS

- 1) Completed and signed proposal form (see Annex A')
- 2) Detailed CV in Greek or English (according to the Europass template).
- 3) Copies of academic titles, degrees and valid certifications (validated copies shall be provided exclusively upon request).
- 4) **The relevance and duration of professional experience is attested by** an employment certification, **as for the research experience**, with a relevant certificate from the institution in which the candidate was employed, where duration and the

object of work should be indicated in detail and/or by copies of contracts accompanied by a certificate of the relevant insurance authority, **and in case of research experience in addition** to the above mentioned contracts, with a certificate from the Scientific Responsible for the project, where the title, duration and subject of the project, in which the candidate was engaged, is indicated, and as well as any other document or information that documents what is mentioned in the CV.

It should be noted that certificates of professional experience submitted by the candidates, should be such as to clarify the relevance with the object of the project defined by the Invitation for Expression of Interest, as well as the implementation of the project.

- 5) Any other additional valid information that documents or clarifies or completes the information mentioned in the CV or requested by the Invitation.
- 6) **CD including all documents in the candidate's application.**

Candidates are invited to submit their applications (form in Annex A') accompanied by CV and copies of diplomas and any other information documenting the data included in CV, to the address: **RC/AUEB, 46, Kefallinias Street, Athens 11251, Greece, 1st floor (Reception), until 14/10/2021 at 16:00.**

In a **sealed** envelope with the following **indication**:

**“Participation to the call for expression of interest in the context of the research project
“FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)”
(position code 2976-PR13)**

Candidates can either submit their sealed candidacy, in person to the above-mentioned address of RC/AUEB or send their applications by post, exclusively by registered mail or a Courier Company, in order to ensure timely submission of their proposals, based on the above strictly binding deadline for submission.

Applications that have been submitted and received a reference number by the aforementioned deadline for submission of proposals are considered timely. In case of registered mail or a courier delivery, timely submission of proposals will be confirmed by the date of postal stamp (**please note that the applicant must ensure that the mailing date will be clearly indicated**).

Contact details: **Mrs Roula Parsalidou**, phone: **(+30) 210 8203839** (hours 11:00 - 14:00).

Publicity of the invitation for Expression of Interest: Will be posted on the websites of AUEB www.aueb.gr, RC /AUEB www.rc.aueb.gr, and EURAXESS (<https://euraxess.ec.europa.eu/>), in DIAVGEIA and where else required by the project Funding Agency.

The President of RC/AUEB

Associate Professor Georgios Lekakos
Vice Rector of Research and Lifelong Learning

APPLICATION – CODE No. 2976-PR13

Call for expression of interest for a fixed term work contract for an Informatics Researcher position in the context of the project “FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)” (position code 2976-PR13)

In response to the call for expression of interest with **ref. no. πρωτ. 1807/35193-21**, I hereby declare that I accept the terms of the Invitation for expression of interest and submit my application for an Informatics Researcher position for the project “**FINE-GRAINED ANALYSIS OF SOFTWARE ECOSYSTEMS AS NETWORKS (FASTEN)**”, **project code 11297601**.

* I confirm my ability to occasionally travel in Europe for work-related needs.

* In order for the application to be valid the aforementioned box needs to be checked.

I also attach a detailed CV and all necessary, according to the call, required documents:

Consent statement for the collection and processing of personal data

I, the undersigned, hereby declare that I do consent to the collection and processing of my personal data, as stated in this proposal and the supporting documents attached thereto, solely for the purpose of implementing the Invitation for Expression of Interest with ref. no 1807/35193-21, including the posting results of the evaluation process to DIAYGEIA.
